How has the Boehly Center impacted you?: Without the Boehly Center, I likely would not have discovered what I wanted to do within the vast world of finance. Rita, Morgan, Melanie, and now Dannita have provided me with great opportunities and put me in positions to succeed. Due to their commitment to William & Mary students, I have been able to excel in and out of the academic environment.

MENTOR MATCH PROGRAM

INDUSTRY INSIGHT, CAREER PREP, AND MORE

The Mentor Match Program is designed to give current undergraduate students a connection to alumni mentors in industries

or companies in which they have limited exposure. Registration for alumni mentors kicks off next month, so if interested in participating as either a mentor or mentee, stay tuned for future announcements!

Fall Recruiting is around the corner! If you want to **host an Information Session** for your company, please contact Boehly.Center@mason.wm.edu. Don't forget, as you hear about jobs opening this fall, please send us the postings so we can get them in Tribe Careers.

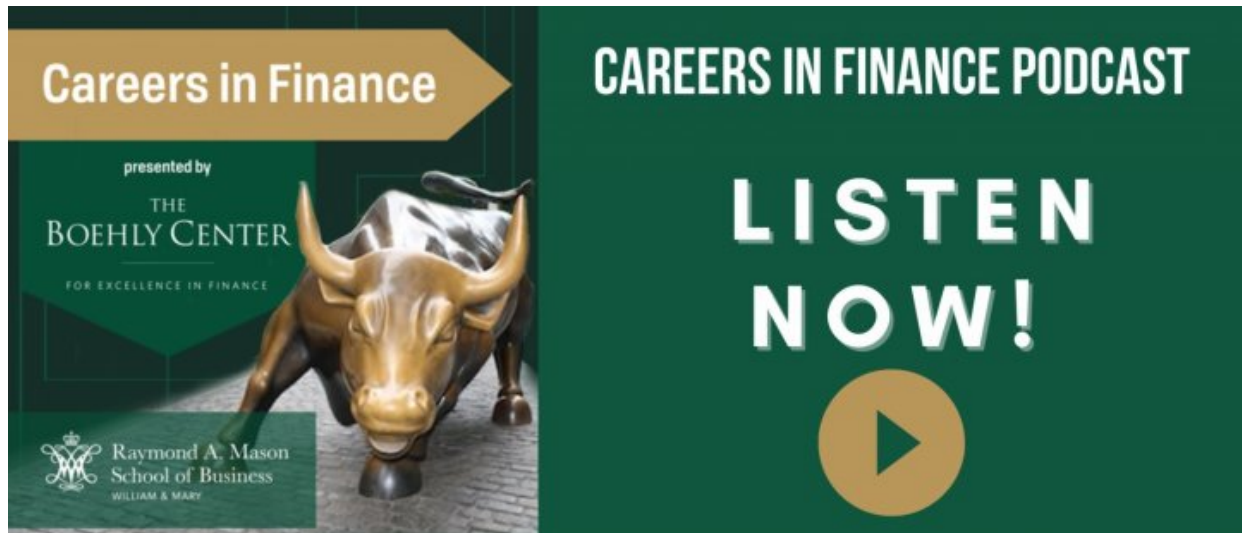

Incentive Program Grand Prize Winners Receive an Exclusive Town Hall with Todd Boehly!

10 students who received the most points in our new Incentive Program were rewarded with an exclusive Zoom Q&A Town Hall with Eldridge CEO, Todd Boehly, for their participation in eligible events, programs, and trainings. The Boehly Center kicked off the Incentive Program with a one semester soft launch from January - May 2021. The goal of this "test" semester was to have at least 50 students participate. However, the center exceeded its goal by engaging a total of 78 by the end of the semester!

The Incentive Program will restart during the Fall 2021 semester! Though initiated during the Spring 2021 semester, the program will span across fall and spring semesters going forward. More information to come on how to restart the program or how to join for the first time. We're eager to see students engaged, claiming points, earning prizes and most importantly, developing professionally!
